My Education

I am currently at university studying a Bachelor of Primary Education. I have less than one year left until I complete my degree, with just my final teaching placement left in 2022.

Ever since I was a child, I have wanted to become a teacher, I cannot wait!

My Hobbies

Playing sport

Exercising

Exploring & travelling

Coffee with friends

Cooking

My Childhood

I was lucky enough to spend the first 13 years of my childhood in regional towns of Western Australia. I was born in Carnarvon and moved to Tom Price when I was 6. Just after my 13th birthday my family moved to Mandurah, the place we now call home. I went to great schools, played A LOT of sport, travelled and made heaps of friends!
