A Little Bit About Me

I grew up in the small country town of Waroona, surrounded by green grass, cows and a beautiful family. I have travelled all over the world and even taught in London for a couple of years. I love to spend time with my family and friends. I also enjoying visiting new places and relaxing at the beach.

Educational Background

After completing primary school at St Joseph's Waroona, and high school at Mandurah Catholic College, I went on to study a Bachelor of Education (Primary) at Notre Dame University in Fremantle.

I went back again to Notre Dame to complete a Master of Education (Early Childhood Education).
