

Meet the TEACHER

Miss Katelyn Cole

Teaching has always been a passion of mine. My philosophy of education is that all children are unique and have something special that they can bring to their own education. I believe students must have a safe, fun and engaging educational environment where they can grow physically, mentally, emotionally and socially. It is my desire to create an environment where students can reach their full potential and feel safe to share their thoughts, ideas and take risks.

A Little Bit About Me

I was born and raised in Perth where I have lived all my life. I moved to Kalgoorlie at the beginning of 2020 to complete my final teaching practicum, where I was lucky enough to land myself a job at St Joseph's School. My Mum, Dad and two older brothers still live in Perth. I visit them every school holidays. In my spare time, I enjoy going to the gym, catching up with friends and playing with my dog, Louie.

Educational Background

I graduated from Edith Cowan University, Joondalup. There I studied a Bachelor of Education (Primary) with a specialisation in Special Needs.

Whilst studying I worked as an Education Assistant at a local High School and also volunteered at a dance school for children with Special Needs.
